In re: **Bankruptcy Case No. 19-30088 (DM)**

PG&E CORPORATION
and
PACIFIC GAS AND ELECTRIC COMPANY

Honorable Montali:

Although I missed your name at the Hearing March 24, 2021 at 10:00 am, I believe you were the Presiding Judge for Doc # 10438, and asked me if my claim had been settled as reported by Dara Silveira for PG&E. At which time I replied "yes, if PG&E does what they say they will do". You responded to let you know if they do not.

Doc # 10438 concerns a claim for \$ 8,000 plus, which I submitted, and a claim for \$ 3,000, submitted by PG&E in my name without my knowledge or permission, that had been merged into Claim No. 2932.

Nothing is requested, however PG&E has not, and apparently will not, do what I understood they would. Please let me know if additional information is desired or if you were not involved with the Hearing.

Sincerely yours,

John I Weaver
